Her next book, titled ***Planning the Defense*** will be out soon (yes, she guaranteed she'll have some with her so you can buy autographed copies).

Here are the topics she'll be covering for us:

DEFENSIVE STRATEGY & SIGNALING

Learn how to signal and give messages to partner. Partner never knows what to lead next & you can tell her! It's so amazing that you might even think it's like cheating but it's legal and fabulous!

Learn how to draw deductions from the bidding and thus beat their contracts! **You will become a feared opponent!**

STRIPPING CAN BE FUN

If we could only avoid finessing, since finesses work only 50% of the time. Improve your declarer play by learning another technique.

FUN GUARANTEED IN BOTH HANDS-ON LESSONS. You will be playing all the way, including going over each hand after playing it.

COST: \$85 (including a light lunch)
