**About the
Instructor:**

Learn from the creator of Learn Bridge In A Day![®] herself! **Patty Tucker** is a nationally known bridge player and teacher. She is a North American Open Pairs National Champion, Grand Life Master, and an American Bridge Teacher Association (ABTA) Master Teacher. Patty created this popular seminar to be a fast, fun program to jump start the game for beginners, those returning to bridge after long absences, and those wanting to "test the waters." The course includes both class instruction, course materials, and coached play.
