

IMPORTANT NEWS FROM DAVID BLOHM'S
BELVEDERE BRIDGE GAMES:

Starting October 14, the limit in David's games, Thursday and Friday, is now <4000. Everyone come on out and have fun in the new expanded games. You newer players, never be intimidated because you're facing life masters and above. You always learn something playing up, as in any game. And, of course, since the games are stratified, you can still **WIN, WIN, WIN!** Hopefully this will encourage you more experienced, shall we say, players to join in the fun of live bridge.
